Phase – I for September 2005 – Reg.

Ref : Lr.No.SC-2/2004-05/AO/Sept.2005/AP dt 12.8.2005 of
Chief Director of Sugar, GOI, New Delhi.

The Sugar Movement Plan Phase – I for September 2005 is enclosed.

Govt.of India have allotted a quantity of 10089.3 MTs of levy sugar to the State on (18) AP sugar factories out of the season's production of 2004-05/2003-04 for distribution under PDS for the month of September 2005. Out of this, (7) sugar factories have expressed their inability to deliver levy sugar as allotted by Govt of India due to non-availability of levy sugar stocks of the relevant season's production with them for a quantity of 4015.8 MTs as per reports of ZMs concerned. As a result, the net quantity available at present is only 6,073.5 MTs. The matter has been taken up with the Chief Director of Sugar, Govt.of India, for re-allotting 4015.8 MTs of levy sugar on other sugar factories. It may take some time to get orders from Govt.of India in this regard.

In view of the decision taken to communicate sugar allotment to the District Managers well in advance to enable them to get ready with movement plan and to lift and position the sugar stocks in all the MLS points by 1st week of relevant month itself in order to release rice and sugar simultaneously, allotment is made now as Phase – I for the available quantity i.e., 6073.5 MTs for the present. On receipt of re-allotment orders from Govt.of India, further quantities will be allotted to the districts basing on the availability of stocks and requirement of the districts as Phase –II for September-2005.

In view of festive season, all the District Managers are requested to lift the stocks quickly and position them in the MLS points strictly as per the need-based and prevailing local circumstances. The lifting of stocks has to be completed by 10-9-2005. **The entire quantity that is going to be lifted in this month must be utilized for the month of September 2005 only.** In case Release orders of any fair price shop dealers are pending for August 2005, they may be given first in September against September quota only. Under any circumstances, stocks lifted from September allotment should not be released to the pending release orders of August 2005. The Dist.Managers may keep their Joint Collector & E.O.E.D., about the Phase –I allotment made to the districts due to non-availability of stocks with certain sugar factories.

The Dist.Managers of Srikakulam, Vizianagaram, Visakhapatnam and East Godavari may move the stocks departmentally at the approved rates by their respective District Tender Committees for September 2005 allotment also, in case the Stage-I sugar contractor is not turning up. It is under consideration to take necessary action against the existing Stage-I sugar transport contractor and to make permanent arrangement for the balance contract period if the contractor fails to undertake transportation of sugar for September month allotment. The Dist.Managers of sugar zone-1 may issue movement order to the existing contractor with a direction to undertake lifting immediately as per the movement orders, failing which

departmental movement will be resorted to at his risk and cost as per the relevant provisions of the Agreement.

All the Dist.Managers and Zonal Managers are requested to immediately work out the arrangements for monitoring the movement of sugar under Stage-I transportation from sugar factories to destination MLS points, consignment-wise on daily basis with immediate effect. They are requested to follow the instructions already issued in Circular No. PDS-5 dt 2-7-2005.

The details of quantity lifted during this month against September allotment has to be clearly mentioned in the monthly sugar pdl with factory-wise break up for proper recording in Head Office.

The above instructions shall be followed strupulously with immediate effect.

While the matter was taken up with the Chief Director of Sugar, Govt. of India, for re-allotting 4015.8 MTs of levy sugar on other sugar factories, allotment was made for the available stocks of 6,073.5 MTs as phase-I to avoid delay in lifting the stocks and positioning in the MLS points in view of festive season. The details of sugar factory, Government of India allotment and season's production are given below:

S.NO	Factory Code No.	Factory Name	Qty., Alloted By GOI (MTs)	Season's Production
1.	26001	Vuyyuru	1638.8	2004-05
2.	23609	NCS Sugars	1036.5	2004-05
3.	24001	Anakapalle	156.6	2004-05
4.	24601	Delta	119.4	2004-05
5.	34901	Kumarantham	92.1	2004-2005
6.	23608	Deccan	76.1	2003-2004
7.	25501	Chagallu	896.3	2003-2004
TOTAL			4015.8	

In the reference 3nd cited GOI have clearly informed that all the sugar factories (excepting those covered under 100% incentive scheme) have to comply with the levy sugar release orders issued by the Directorate of Sugar, Ministry of Consumer Affairs, Food & Public Distribution, Krishi Bhavan, New Delhi in the first instance, even if the entire quantity/part quantity so released exceeds the levy entitlement of the sugar mill. It was further stated that non-compliance of any release order issued by GOI would constitute an offence and shall be punishable under E. C. Act. A copy of GOI order in the reference 2nd cited is enclosed for ready reference.

The matter is regularly being pursued with Govt. of India for reallocation of 4015.8 MTs on any other sugar factories. Sri R.M.Barapatra, Dy.Director (Sugar Control), Dept. of Food & Public Distribution, Govt.of India, has informed that as per their records, the sugar factories, which did not deliver levy sugar for September 2005, are supposed to have adequate stocks to release under levy and as such the State Government may take appropriate steps for lifting the stocks from those sugar factories.

In view of this, district-wise allotment is made now for the balance quantity of 4015.8 MTs as part-II allotment.

Zonal Managers of Kakinada, Cuddapah, Vijayawada and Hyderabad are requested to re-verify the availability of stock position with the concerned sugar factories falling in their jurisdiction and take necessary action in the matter in consultation with the Joint Collectors concerned, where the sugar factories are located. However, a D O letter to the concerned Joint Collectors is being sent with a request to do the needful in the matter on priority.

All the District Managers are requested to lift the stocks as per the allotment order enclosed and position them in the MLS points as per the requirement and prevailing local circumstances and complete the lifting by 30-09-2005 positively.

All the Dist. Managers and Zonal Managers are requested to work out the arrangements for monitoring the movement of sugar under Stage-I transportation from sugar factories to destination MLS points, consignment-wise on daily basis with immediate effect. They are requested to follow the instructions already issued in Circular No. PDS-5 dt 2-7-2005.
