Sub : APSCSCL – Sugar Movement – Sugar Movement Plan  
for February-2006 – Reg.

Ref:- 1. Release order No. SC-2/2005-2006/AO/February - 06/A.P,  
Dt: 19.01.2005 of Dy. Director(Sugar Control) , GOI, New Delhi.  
2. GSSKN:Sales:Levy Sugar:2720:2005-06 dt:12.1.2006.

-o0o-

The Sugar Movement Plan for February - 2006 is enclosed.

In the reference 1<sup>st</sup> cited Government of India have allotted a quantity of **9725.2 Mts** of Levy Sugar on Seventeen(17) A.P Sugar Factories out of 2004-2005/2005-06 Season's production to our state for Public Distribution System for the month of February-2006. Out of this Taduvai(25602) have informed that they have only 50.0 MTs of 2004-05 season's production available with them under levy and they are exempted from Levy for 2005-06 season's production. With regard to Chodavaram(23901), allotment is made for 1206.0 MTs only as against 2094.5 Mts allotted by GOI for the time being. For the balance quantity 888.5 MTs allotment orders will be issued in due course. With regard to Trident(23602), the factory authorities informed that they do not have 2004-05 season's production allotted by GOI i.e., 5.8 MTs. Hence a quantity of **7762.6 MTs (9725.2 - 1068.3 - 888.5 - 5.8 Mts)** is taken into account for February-06 month allotment.

Gokak (27101) have confirmed in writing vide reference 2<sup>nd</sup> cited that they can deliver 1927.4 MTs of levy sugar out of 2004-05 season's production against January-2006 allotment. This quantity of 1927.4 MTs is clubbed to the February-06 allotment and consolidated district-wise allotment is made for a total quantity of **9690.0 MTs(7762.6+1927.4 MTs)**. The validity period to lift from Gokak sugar factory is upto 15.2.2006

All the District Managers are requested to lift the stocks quickly and position them in the MLS points judiciously. The lifting of February-2006 allotment has to be completed by **15-2-2006**.

The Dist.Managers of Srikakulam, Vizianagaram, Visakhapatnam and East Godavari may move the stocks departmentally as per the transport rates approved by their respective District Tender Committees for February-2006 allotment also till adhoc contractor is appointed.

All the District Managers are requested to contact the concerned Sugar factory authorities about availability of levy sugar stocks before making payment. If any factory is not delivering sugar on any ground, the matter may be taken up with that sugar factory through the concerned Collector/Joint Collector under copy marked to Head Office.

The District Managers should not release more than the allotment made by the Commissioner of Civil Supplies and Consumer Affairs, Andhra Pradesh, Hyderabad taking into account the opening balance available with the MLS points and keep the remaining stocks as buffer in the district. The said buffer will be taken into account for next month allotment. Any excess utilization this month would lead to proportionate deficit in next month. Hence, all District

Managers must stick to CCS allotment compulsorily for utilizing PDS sugar in February 2006.

All the Dist.Managers and Zonal Managers are requested to immediately work out the arrangements for monitoring the movement of sugar under Stage-I transportation from sugar factories to destination MLS points, consignment-wise on daily basis with immediate effect. They are requested to follow the instructions already issued in Circular No. PDS-5 dt 2-7-2005.

They should send lifting SMS as per circular No.A&V 20 and 24 also from the concerned District Manager's office.

The above instructions shall be followed scrupulously with immediate effect.

Encl: (1) Allotment Copy

**Yours faithfully**
