ORDER:

The AP State Civil Supplies Corporation Ltd has been participating in paddy procurement operations on a lesser scale till recently. With the introduction of Decentralized procurement as well as change in levy policy, the role of APSCSCL has increased tremendously in the paddy procurement operations. The mainstay of paddy procurement is the paddy procurement centres operated mostly by Self Help Groups in the Districts. The SHGs are paid a commission of Rs. 31.25 for common variety & Rs. 32/- for Grade A variety per Qtl. of paddy procured. As per the practice in vogue, the said commission should be paid after reconciliation of paddy accounts as well as gunny accounts of PPC and Millers.

In the video conference held by the Chief Secretary with the District Collectors on 27.01.2015, it has been decided that the time lag for payment of commission to SHGs should be reduced and alternatively it is suggested to pay certain percentage of the commission in advance without waiting for final reconciliation.

After examining the issue in detail, the APSCSCL has decided to pay 80% of the commission payable to Self Help Groups towards the quantity of paddy purchased as 1st instalment after reconciliation with the acknowledgments provided by Rice Millers in token of receipt of paddy transported from the PPCs in the districts and the balance 20% is to be released after reconciliation of complete paddy and gunny accounts.

The District Managers, APSCSCL, are requested to take necessary action accordingly.
