SUB:- APSCSCL – Marketing Section – RPDS vehicles – Deterioration of vehicles -
Huge loss on vehicles – Auction of vehicles – Requested – Reg.

<><><><>

Total 32 RPDS vehicles were purchased in the year 1999 and the vehicles were allotted to District Offices of APSCSCL except Ananthapur and Prakasam with instructions to utilize the vehicles for transportation under Stage.I and Stage.II and on profit.

The vehicles have completed 14 years of life approximately. Many District Managers are informing that the vehicles are under repairs / not in road worthy condition. Huge expenditure is being incurred towards repairs and the vehicles and are being run on heavy loss.

To avoid further deterioration of vehicles and huge loss to Corporation, it is decided to auction all RPDS vehicles.

Therefore, all the District Managers (except Ananthapur,Prakasam & Warangal) are directed to auction the RPDS vehicle (s) allotted to their respective district immediately as per the procedure in vogue and remit the amount to Corporation account under intimation to head office.

District Managers are further directed to ensure that upset value is fixed as per the guide lines issued in the G O No. 333, dt. 31.07.1997 and ' valuation certificate ' is obtained from Motor Vehicle Inspector.

Immediate action in this regard is essential.

District Managers are requested to acknowledge the receipt of this Circular by return post.
